## Model 51 & 53 Non-RoHS - End of Life

As the electronics industry is quickly changing to RoHS compliant products, Bourns Sensors and Controls Division is announcing the end of life for the ***non-RoHS*** versions of **Models 51 and 53** – 1/2” square panel controls. This notice affects all NON-L-SUFFIX standard and TNA part numbers associated with these models.

The RoHS compliant versions of Model 51 & 53 are now available. When ordering, please be sure to add the “L” suffix to the part number.

At this time, we are asking customers to assess their needs for Models 51 and 53, and place last time orders. ***The deadline for accepting final orders will be September 29, 2006.***

Orders may not be scheduled out. ***All shipments will be made by no later than December 15, 2006.***
