### Bourns® Model 0655 Series Trimpot® Trimming Potentiometer to be Discontinued

Riverside, California – August 23, 2021 – In accordance with our ongoing product lifecycle management procedure, Bourns will transfer the [Model 0655 Series Trimpot® Trimming Potentiometer](#) to an End of Product Life status, effective immediately. A list of affected part numbers is included below.

The Model 3386 Series Square Trimpot® Trimming Potentiometer is a possible replacement for the discontinued series. The recommended replacement is not a direct cross to the discontinued series as the form, fit and function of the suggested replacement model series are not identical to the obsolete model series. Please refer to Bourns' data sheets for more information about the similarities and differences between the two model series.

The discontinued part numbers and their recommended model series can be found in the table below.
