Bourns® Model SM91073AL 10/100 Base-T Transformer to be Discontinued

Riverside, California – August 23, 2023 - In accordance with our ongoing product life cycle management procedure, effective February 12, 2024, Bourns will transfer the [Model SM91073AL 10/100 Base-T Transformer](#) to an End of Product Life status. The replacement of this product with an updated model necessitates this action.

| Obsolete Part Number | Suggested Replacement Part Number |
|----------------------|-----------------------------------|
| SM91073AL-E | SM91072AL-E |

The [Model SM91072AL-E 10/100 Base-T Transformer](#) is the recommended replacement. The form, fit and function of the suggested replacement model are identical to the obsolete model. Please refer to Bourns' data sheets for more information.

Samples of the suggested replacement part are available upon request. Bourns recommends that customers test the suggested replacement part in their specific applications for verification of satisfactory performance.

Customers may continue to purchase this part number during the End of Product Life transition period between now and February 12, 2024. Orders for Model SM91073AL during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty.

Please plan for the following deadlines:

Last time buy date: **February 12, 2024**

Last time ship date: **August 13, 2024**

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).
