Bourns® Model PT61017EL LAN 10/100 Base-Tx Transformer to be Discontinued

Bourns will be discontinuing the [Model PT61017EL](#) LAN 10/100 Base-Tx Transformer. A lack of sales volume and diminishing demand necessitates this action.

Bourns is offering a suggested replacement model as show in the table below. The form, fit and function of the replacement part number, [Model PT61017PEL](#), is not identical to the obsolete part. However, its specifications are substitutable for typical applications. Please refer to the data sheet for additional details which can be found on the Bourns website at www.bourns.com.

Obsolete Part Number	Replacement Part Number
PT61017EL	PT61017PEL

Please plan for the following deadlines:

Last time buy date: December 31, 2014

Last time ship date: May 31, 2015

Should you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
