

Product Obsolescence Memo

DC/DC CONVERTERS

May, 2013

Bourns Switch Power Product Line Discontinues DC/DC Converters

Due to a lack of sales volume and diminishing demand, Bourns has decided to discontinue all remaining DC/DC converter products.

S20A Series	S6A Series
S32A Series	SPT Series
SC6A Series	SC20A Series
SC15A Series	SC10A Series
SBC2A Series	SB6A Series

We regret that replacement products are not offered at this time. Customers must notify Bourns in writing within 30 days of receipt of this notification if they consider the discontinued product to be “sole sourced” by Bourns. In such cases, Bourns will work with customers to negotiate an appropriate End-of-Life purchase for the discontinued products.

Should you have any questions or need additional information, please feel free to contact [Customer Service/Inside Sales](#).
