

Note: This legal disclaimer notice is written in English and in Simplified Chinese. In the event of a discrepancy, the English language version shall prevail.

This Preproduction Sample Disclaimer and Limitation on Liability ("Disclaimer") applies to purchasers and all users of Bourns® preproduction engineering samples and Bourns® products that are prototypes in nature manufactured by or on behalf of Bourns, Inc. and its affiliates (collectively, "Bourns") regardless of whether any documentation associated with the product is labeled as a prototype, sample or preproduction engineering sample ("Bourns® Sample").

Bourns® Samples are products not otherwise released for mass production and are not intended for resale, except by Bourns' authorized distributors, or for any purpose other than testing and qualification. Bourns® Samples are products which Bourns manufactured prior to the completion of all stages of design and validation testing and are often identified with a preliminary data sheet.

The information furnished in the Bourns® Samples preliminary data sheets is believed to be accurate and reliable and include essential schematics, layouts, and preliminary data. Users should independently evaluate the suitability of and test each Bourns® Sample selected in their own applications. The preliminary data sheet may be amended and/or updated as Bourns completes all stages of design and validation testing for the product. Unless specifically stated in the preliminary data sheet, Bourns® Samples may not comply with applicable safety, environmental, or regulatory requirements, including but not limited to UL, CE, RoHS, REACH, or other national or international standards. It is the purchaser's sole responsibility to verify and ensure compliance of any final product using Bourns® Samples.

ALL BOURNS® SAMPLES ARE PROVIDED "AS-IS," except Bourns offers a limited replacement or refund warranty for defects in workmanship based on criteria expressly stated in the preliminary data sheet for such Bourns® Sample. The limited warranty set forth in this Disclaimer is exclusive of all other warranties, guarantees or representations, express or implied, with respect to Bourns® Samples, including, without limitation, warranties of merchantability and fitness for particular purpose, and any other obligation or liability of Bourns to any third party as a result of purchase and/or use of Bourns® Samples are excluded. This warranty does not cover Bourns® Samples that were modified without Bourns' prior written approval, that have expired or that were subjected to physical, chemical or electrical stress that the products were not originally designed for.

Bourns® Samples covered by the preliminary data sheet may have been specified in another manufacturer's reference design. Bourns does not warrant application specific testing of the product in any reference design solutions provided by other manufacturers.

所有 BOURNS® 樣品均按「現狀」提供，但 Bourns 會根據該 Bourns® 樣品初步數據表中明確說明的準則，就工藝缺陷提供有限度的更換或退款保證。本免責聲明中規定的有限保證，取代所有其他關於 Bourns® 樣品的明示或暗示保證、擔保或陳述，包括但不限於適銷性及特定用途適用性的保證，並且排除 Bourns 因購買及/或使用 Bourns® 樣品而對任何第三方承擔的任何其他義務或責任。此保證不涵蓋未經 Bourns 事先書面批准而改動、已過期或承受產品原本設計所不預期的物理、化學或電氣應力的 Bourns® 樣品。

初步數據表所涵蓋的 Bourns® 樣品，或曾在另一製造商的參考設計中被選用。對於產品在其他製造商所提供任何參考設計方案中所進行的特定應用測試，Bourns 不作任何保證。
