

## Declaration of Hazardous Substances

### I. Supplier Information

Name of Supplier: Bourns, Inc.

Address: 1200 Columbia Avenue, Riverside, CA 92507

Date (Month/Day/Year): 02/03/2026

Product Group: Trimmers

Completed by: Ines Rodriguez

E-MAIL: ines.rodriguez@bourns.com

Tel: 52 664 608 6834

Fax:

### II. Product Information

Trimpot®

Model No./Series of manufacturer: Trimmers

Name of Manufacturer: Bourns, Inc.

### III. Declaration of Hazardous Substances

| Part Name<br>部件名称 | Toxic or hazardous Substances and Elements 有毒或有害物质或元素 |                   |                   |                                     |                                              |                                                   |
|-------------------|-------------------------------------------------------|-------------------|-------------------|-------------------------------------|----------------------------------------------|---------------------------------------------------|
|                   | Lead<br>(Pb) 铅                                        | Mercury<br>(Hg) 汞 | Cadmium<br>(Cd) 镉 | Hexavalent<br>Chromium<br>(Cr (VI)) | Polybrominated<br>biphenyls<br>(PBB)<br>多溴联苯 | Polybrominated diphenyl<br>ethers (PBDE)<br>多溴二苯醚 |
| 3006 Series       | x                                                     | ○                 | ○                 | ○                                   | ○                                            | ○                                                 |

|                   |                                                       |                   |                   |                                     |                                              |                                                   |
|                   |                                                       |                   |                   |                                     |                                              |                                                   |
|                   |                                                       |                   |                   |                                     |                                              |                                                   |
|                   |                                                       |                   |                   |                                     |                                              |                                                   |
|                   |                                                       |                   |                   |                                     |                                              |                                                   |

本表格依据SJ/T 11364的规定编制。This table is compiled according to SJ/T 11364 Standard.

O: Indicates that this toxic or hazardous substance contained in all of the homogeneous materials for this part is below the limit requirement in GB/T 26572.

O: 表示该有毒有害物质在该部件所有均质材料中的含量均在 GB/T 26572 规定的限量要求以下。

X: Indicates that this toxic or hazardous substance contained in at least one of the homogeneous materials used for this part is above the limit requirement in GB/T 26572. (Enterprises may further provide in this box technical explanation for marking "X" based on their actual conditions.)

X: 表示该有毒有害物质至少在该部件的某一均质材料中的含量超出 GB/T 26572 规定的限量要求。

(企业可在此处, 根据实际情况对上表中打"X"的技术原因进行进一步说明)

Note:

3006/3009 series use EU Exemption 6c

3006/3009 系列产品采用欧盟豁免 6c

3006/3009 use Lead in glass portion of termination ink EU Exemption 7c-1 (for resistances =>100kohms)

3006/3009 使用端接油墨玻璃部分中的铅欧盟豁免 7c-1 (电阻 => 100 欧姆)
