

PRODUCT OBSOLESCENCE MEMO

RESISTORS

Select Riedon™ Custom Resistors by Bourns to be Discontinued

Riverside, California – Revised September 15, 2025 – As part of Bourns’ ongoing product life cycle management practices and Bourns’ integration process for acquired Riedon assets, we are streamlining our portfolio to optimize support. Select Riedon™ Custom Resistors by Bourns will be transitioned to an End of Product Life status effective February 27, 2026. A list of obsolete part numbers is included below.

Regrettably, no replacement part numbers are available at this time. Customers may continue to purchase these part numbers during the End of Product Life transition period between now and February 27, 2026. Orders for these part numbers during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be offered based on Bourns’ standard terms and conditions, considered nonreturnable and will be covered by Bourns’ standard warranty available at <https://www.bourns.com/docs/legal/bourns-terms-and-conditions-of-sale.pdf>.

Please plan for the following deadlines:

Last time buy date: **February 27, 2026**

Last time ship date: **August 31, 2026**
