

PRODUCT OBSOLESCENCE MEMO

RESISTORS

Select Riedon™ Thick Film Power, Metal Foil Power, and High-Power Wirewound Resistors by Bourns to be Discontinued

Riverside, California – Revised September 15, 2025 – As part of Bourns’ ongoing product life cycle management practices, and Bourns’ integration process for acquired Riedon assets, we are streamlining our portfolio to optimize support. Select Riedon™ Thick Film Power, Metal Foil Power, and High-Power Wirewound Resistors by Bourns will be transitioned to End of Product Life status effective February 27, 2026. A list of obsolete part numbers and the recommended replacement part numbers is included below.

For those obsolete part numbers with suggested replacement products, the part numbers for the suggested replacement products are provided in the table below next to the corresponding obsolete part. The fit and function of the suggested replacement part numbers as standalone components based on our review of the data sheets are identical to the obsolete parts. The form of the suggested replacement part numbers is changing due to updated marking. Specifically for PF2205 replacement parts, PWR221T-50, the form is also different due to the back plate changing to ceramic from metal. Please refer to the Bourns data sheet or contact a Bourns Application Engineer for more information.

Users should test the suggested replacement parts in their specific applications for verification of satisfactory performance. Samples of the suggested replacement parts are available upon request.

Customers may continue to purchase these part numbers during the End of Product Life transition period between now and February 27, 2026. Orders for these part numbers during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be offered based on Bourns’ standard terms and conditions, considered nonreturnable and will be covered by Bourns’ standard warranty available at <https://www.bourns.com/docs/legal/bourns-terms-and-conditions-of-sale.pdf>.

Please plan for the following deadlines:

Last time buy date: **February 27, 2026**

Last time ship date: **August 31, 2026**
