Bourns® Model 2378 155G and 155HS Series Heavy-Duty Station Protectors to be Discontinued

Riverside, California – March 31, 2023 – In accordance with our ongoing product life cycle management procedures, effective December 31, 2024, Bourns will transfer the [Model 2378 155G](#) and [155HS Series Heavy-Duty Station Protectors](#) to an End of Product Life status. A lack of sales volume and diminishing demand necessitates this action.

A list of obsolete part numbers is included below.

Obsolete Part Numbers

2378-27-01

2378-35-BC

2378-35-G

2378-35-HS

2378-45-HS

Regrettably, no replacement part numbers are available at this time. Customers may continue to purchase these part numbers during the End of Product Life transition period between now and December 31, 2024. Orders for these part numbers during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty.

Please plan for the following deadlines:

Last time buy date: **December 31, 2024**

Last time ship date: **June 30, 2025**

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).
