Bourns® Model PRS11S 11 mm SMD Potentiometer Series to be Discontinued

Riverside, California – July 2, 2021 – In accordance with our ongoing product lifecycle management procedure, Bourns is transferring the [Model PRS11S 11 mm SMD Potentiometer](#) series to an End of Product Life status on October 31, 2021. The discontinuation of importation of the grease used in the Model PRS11S necessitates this action.

Regrettably, no replacement part numbers are available at this time. Customers may continue to purchase this product during the End of Product Life transition period between now and October 31, 2021. Orders for discontinued product during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty.
