Bourns® Model TISP4G024L1WR-S G.Fast VDSL Protector to be Discontinued

In accordance with our ongoing product lifecycle management procedure, Bourns has transferred the [Model TISP4G024L1WR-S](#) G.Fast VDSL Protector listed below to an End of Product Life status. A lack of sales volume and diminishing demand necessitates this action.

Regrettably, replacement products are not available at this time. Customers must notify Bourns in writing within 30 days of receipt of this notification if they consider the discontinued product to be "sole sourced" by Bourns. In such cases, Bourns will work with customers to negotiate an appropriate end-of-life purchase for the discontinued product.

Products purchased during this End of Product Life transition period will be covered by Bourns' standard warranty. Last Time Buy orders for these products will be considered non-cancellable and non-returnable.
