Bourns® Model SRP1040 Series Shielded Power Inductors to be Discontinued

Bourns® [Model SRP1040 Series](#) Shielded Power Inductors will be discontinued. A lack of sales volume and diminishing demand necessitates this action.

The AEC-Q200 compliant [Model SRP1038A Series](#) Shielded Power Inductor is the recommended replacement model. The form, fit and function of the suggested replacement series are not identical to the obsolete model. However, the specifications of the suggested replacement parts are likely to be substitutable for typical applications. Please refer to the data sheet for more information.
