### Bourns® Model SRP7030-100M Shielded Power Inductor to be Discontinued

Riverside, California – December 5, 2025 – In accordance with our ongoing product life cycle management procedure, effective September 30, 2026, Bourns will transfer the Model SRP7030-100M Shielded Power Inductor to an End of Product Life status. A lack of sales volume and diminishing demand necessitates this action. The obsolete part number is included below.

#### Obsolete Part Number

[SRP7030-100M](#)

Regrettably, no replacement part numbers are available at this time. Customers may continue to purchase this part number during the End of Product Life transition period between now and September 30, 2026. Orders for this part number during this End of Product Life transition period will be considered noncancellable. Products purchased during this End of Product Life transition period will be considered nonreturnable and will be covered by Bourns' standard warranty.

#### Please plan for the following deadlines:

Last time buy date: **September 30, 2026**

Last time ship date: **September 30, 2027**

If you have any questions or need additional information, please feel free to [contact Customer Service/Inside Sales](#).
